

TI:ME Mike Kovins Teacher of the Year Award 2010

This document is also available as a PDF and may be downloaded here and freely distributed.

PURPOSE:

The Technology Institute for Music Educators (TI:ME) will identify and recognize an outstanding music teacher at the annual TI:ME conference. The award will be called: "The TI:ME Mike Kovins Teacher of the Year Award".

ELIGIBILITY:

1. Applicant must have a minimum of three years of professional teaching and/or research in music technology experience and currently teach K-12 students, at the College/University level, or adults.
2. Applicant must be a TI:ME member in good standing.
3. Members of the TI:ME Advisory Board, Board of Directors, and previous recipients are not eligible.

PROCESS:

1. Both the Nominee and Nominator must be members of TI:ME.
2. The Nominator is responsible for the fulfillment of award requirements.
3. The decision will be made by the TI:ME Award Review Committee and will be announced on or before January 15, 2010.

SUBMISSION REQUIREMENTS:

(To be organized and submitted by the nominator)

1. Vita of Nominee.
2. Narrative of the Nominee's accomplishments.
3. Supporting written documentation from students, parents, colleagues, supervisor, etc.
4. Video or teaching portfolio demonstrating excellence in music technology.
5. Copy of the teaching schedule of Nominee.
6. Nomination materials submitted no later than December 15, 2009.

CRITERIA:

The Nominee will have demonstrated outstanding abilities in at least three (3) of the following areas:

1. Develop and use technology with music students creatively and effectively.
2. Demonstrate the use of technology that enhances the national and/or state standards.
3. Utilize current research in music technology effectively.
4. Demonstrate research of significant importance to the field of music education and technology.
5. Develop music technology performance ensembles that exhibit a high degree of excellence.
6. Demonstrate exemplary training of teachers in the field of music education and technology.
7. Publish articles, books, CD-ROMs and related materials that are of significance in the field of music education and technology.
8. Demonstrate leadership and creativity in the field of music education technology, and be active in professional organizations, e.g., presenting at conferences and seminars.

Inclusion checklist:

1. Description of the teaching schedule of Nominee. A nominee for the award must teach students or adults in the classroom. _____
2. Vita of Nominee. _____
3. Narrative of the Nominee's accomplishments. _____
4. Supporting written documentation from students, parents, colleagues, supervisor, etc. _____
5. Video, teaching portfolio, web site or other evidence demonstrating excellence in music technology. _____
